2010 Great American Insurance Group/USDF Breeders' Championship Series

The Great American Insurance Group/USDF Breeders' Championship Series (USDFBC) is a program designed to promote breeders and showcase quality sport horses. Each series will consist of at least three qualifying events in designated geographical areas of the United States, which will lead to a final event in each series. Exhibitors compete at qualifying events for the champion and reserve champion current year foal, filly, colt/gelding, mare and stallion.

These horses are then invited to compete in each of their respective classes, in the final event of that series, which is where the Great American Insurance Group/USDF Breeders' Championship Series Grand Champion and Reserve Grand Champion current year foal, filly, colt/ gelding, mare, and stallion will be determined.

For a list of events participating in the Great American Insurance Group/USDF Breeders' Championship Series or the complete rules and guidelines, contact USDF at (859) 971-2277 or www.usdf.org. A list of upcoming events is also included in the *USDF Connection*.

Qualifying System

The USDFBC Series is scheduled on a calendar year basis (January 1-December 31).

A series must have a minimum of three qualifying events in order to hold a series final. All shows in the series, including qualifier classes held in conjunction with the final of the series, are qualifying events.

The final event of each series is normally the last USEF-licensed USDF-recognized dressage competition holding DSHB classes scheduled in a particular geographical area of the United States as of July 1 of the year prior to the series final year. However, a series final may also be held at either a separate dressage or DSHB show which does not offer other DSHB classes, and is not a USDFBC qualifying event. Host sites of series finals will be designated on or about July 1 of the year prior to the series final.

If a USDFBC Series does not have at least three qualifying events registered with USDF by June 1 of the series final year, the final will not be held for that series.

Horses may compete in qualifying events in any series, but they may participate in only one final class. Horses must qualify in the series in which they enter the final. Exception: Horses that have qualified for a series final which is either not scheduled or is cancelled may participate in the final of any other USDFBC series in the same calendar year, without having to re-qualify for that series.

Owners of horses that have qualified for a final which is not held, may enter another series final, but must indicate which series they qualified at on their entry form.

Series final events must allow late entries in the series final classes for horses that qualified for the series final event after the official closing date for the final event.

If there is a change of ownership of the horse, the new owner(s) may choose to participate in the series final where they reside, regardless of where they qualified, provided that the new owner contacts the USDF office and initiates the change at least 30 days prior to the new Series Final date.(BOG 12/08)

Each qualifying event must offer a current year foal class, a filly championship class, a colt/gelding championship class, a mare championship class and a stallion championship class. These classes are USDFBC qualifying classes. The champion and reserve champion in each of these classes, from each series qualifying event, are eligible to compete in their respective USDFBC series final class. A third place horse in each series qualifying championship class must be named as well. If the champion, reserve or both have already qualified for the series final class, the third place horse will also be invited to compete in the series final class. In addition, any other horse receiving a 77% or better in its age/sex class will be eligible to compete in the final class. A list of qualified horses is maintained by series on the USDF Web site.

Current Year Foal Championship

The current year foal championship class at qualifying events must be open to first and second place winners of Sport Horse Prospect In Hand classes for all horses of current calendar year, as listed below. First and second place (and third if desired) fillies and colts/ geldings of current year will compete against each other in the same class. (Organizers have the option of including third placed winners in championship classes.)

- Fillies of current calendar year
- Colts/Geldings of current calendar year

Filly and Colt/Gelding Championship

The Filly and Colt/Gelding Championship classes at qualifying events must be open to first and second place winners of Sport Horse Prospect In Hand classes for all horses as listed below. (Organizers have the option of including third placed winners in championship classes.)

| <i>Filly Championship</i> | <i>Colt /Gelding Championship</i> |
|---------------------------|-----------------------------------|
| Yearling Fillies | Yearling Colts / Geldings |
| Two year old Fillies | Two year old Colts / Geldings |
| Three year old Fillies | Three year old Colts / Geldings |

Mare and Stallion Championship

The Mare and Stallion Championship classes at qualifying events must be open to first and second place winners of Breeding Stock In Hand classes for horses age four years old and over, as listed below. (Organizers have the option of including third placed winners in championship classes.)

Mare Championship:

Mare classes may be divided by age, competition and/or breeding status, as in the following example:

- Four-year old and older maiden mares - never bred
- Four-year old and older yeld mares-never bred or not currently bred or nursing
- Four-year old and older broodmares - In foal or currently nursing (mare only to be judged)

For details on determining breeding status for competitor purposes, please refer to USEF DR203.16.

Stallion Championship:

Stallion classes may be divided by age, competition and/or breeding status, as in the following example:

- Four-year old and older stallions showing only in hand
- Four-year old and older stallions showing also under saddle

Age/sex eligibility is determined as follows:

- a. Fillies, colts and geldings three years of age or under may show ONLY as sport horse prospects, not in breeding stock classes/ categories.
- b. Mares and stallions age four and over may show ONLY in breeding stock classes/categories. Note: Two and three-year olds are ONLY eligible to compete in the filly or colt championships. They are NOT eligible for the mare or stallion championships.
- c. Geldings of any age may NOT show in breeding stock classes/ categories. Geldings age three and under may show ONLY in sport horse classes/categories.

No geldings may compete in the USDFBC classes for stallions even if they are gelded after qualifying for the finals and are breeding via frozen semen.

Horses and ponies of any origin may compete.

Horses participating in USDFBC qualifying or final events are not required to be registered with any studbook, but "if a horse is registered with any breed organization, the name of the breed, sire, dam, dam sire and breeder must be given on the entry blank. For unregistered horses competing in DSHB classes, the information is strongly recommended, if available." (USEF GR907.1)

The USDFBC championship classes must be offered and judged at each qualifying event according to USEF DR209 and DR210. These championships may not be awarded on the basis of previous scores.

The champion and reserve champion in each championship class at a qualifying event will be presented with a qualifier ribbon. Only the champion and reserve champion will receive the qualifier ribbon, even if they have previously qualified. A third place horse in each championship class must be named as well, but will not receive a qualifier ribbon.

Also exempt are horses ridden in leadline, exhibitions, games and races, classes for 4-H members, walk-trot and academy classes. For foreign-owned horses competing in a CDI, USDF accepts copies of the horse identification pages from an FEI passport in lieu of a USDF HID or Lifetime Horse Registration (LHR) number.
- Riders and owners/lessees competing only in classes which are exempt from the USDF HID requirements are also exempt from the USDF NM identification number and NM fee requirements. Also exempt are handlers of horses competing in DSHB In-Hand or Group classes.

Memberships Defined

Participating Membership (PM): A membership issued to an individual directly by USDF. The membership year is December 1 through November 30. PMs are available for 1-year (\$62), 5-years (\$250), or life (\$1,000). A USDF Youth Participating Membership (YPM) is available for individuals who have not reached their 21st birthday by December 1 of the current membership year (\$35). A PM allows the member to compete at USEF- licensed/USDF-recognized competitions and to participate as a rider and/or owner/lessee for all Adequan®/USDF Year-End Awards, Great American Insurance Group/USDF Breeders' Championship Series Finals, and the Great American Insurance Group/USDF Regional Dressage Championship program.

Group Membership (GM): A membership issued to an individual by USDF when the member name and dues are submitted to USDF through an affiliate Group Member Organization (GMO). The GM year begins December 1 and ends November 30. A GM allows the member to compete at USEF-licensed/USDF-recognized competitions and participate in the USDF Rider Awards program.

Business Membership (BM): A membership that runs December 1 through November 30 and is issued to a business or organization directly by USDF. The USDF BM (\$175) offers a wider variety of advertising benefits. BMs satisfy requirements of horse ownership only.

Non-Member (NM) Identification Number: For each USDF NM owner/lessee and USDF NM rider there will be a USDF NM fee of \$20 and a USDF NM form per competition that must be collected by the show secretary and submitted to USDF along with the USDF Report of Fees document and the \$5 affidavit fee if the person cannot provide a copy of their USDF NM card. Owners/lessees or riders exempt from the NM number requirements are also exempt from paying the USDF NM fee. If there are multiple owners of a horse and all are NMs, only one of the owners must pay the NM fee. If the horse has at least one owner who is a current USDF member there is no NM fee assessed. Competition management will be invoiced for all applicable USDF NM fees not received with the USDF post competition paperwork, along with a report listing all USDF NMs.

Competition management is then required to submit the NM fees within 30 days to the USDF. An individual with a USDF NM identification number is not eligible for any USDF membership benefits. Once a USDF NM number has been assigned, a USDF NM card can be obtained from the USDF Web site.

Horse Identification (HID) Number: A one-time tracking number for horses (\$20). Scores earned by a horse with an HID number will be recorded, but will NOT be counted towards Adequan[®]/USDF Year-End Awards. A horse with an HID number is not eligible to compete in Great American Insurance Group/USDF Regional qualifying or championship classes or Great American Insurance Group/USDF Breeders' Championship Series Finals.

An HID number can be upgraded to a Lifetime Horse Registration (LHR) for a fee of \$65. If a horse has a USDF LHR it does not need an HID number. An HID number is a one-time fee that does not need to be renewed.

Lifetime Horse Registration (LHR): A horse with an LHR (\$85) is eligible for Adequan[®]/USDF Year-End Awards, and eligible to compete at Great American Insurance Group/USDF Breeders' Championship Series Finals and Great American Insurance Group/USDF Regional qualifying and championship classes, assuming requirements for the owner and rider are met. If a horse has an LHR it does not need an HID number. An LHR does not need to be renewed.

USDF Statement on Animal Welfare

The United States Dressage Federation, Inc. (USDF), a federation of over 125 independent organizations throughout the United States with a membership in excess of 33,000 members, supports the concept of ethical treatment of animals.

Dressage is a classical method of training horses, based upon the horse's natural responses, as carried out in a gradual, planned program during which the horse's athletic abilities are improved in a systematic manner. As a result, the horse becomes capable, comfortable, and responsive in partnership with the rider without the use of force. Dressage competition at various levels of achievement is the ultimate test of the training program to determine whether the desired harmony between horse and rider has been achieved.

The rules pertaining to dressage competition prohibit the use of artificial appliances, training aids, and drugs, which would force the horse to submit. Instead, the emphasis is upon training and a cooperative partnership with the rider. Major competitions are carefully monitored to assure that there is no unnecessary force or harshness displayed.

Unlike other horse sports in which horses enter training at a relatively immature state, dressage training is usually not seriously begun until the horse is three or four. The top levels of achievement require five or more years of progressive training and it is not unusual to see horses in international competition in their late teens. This, in itself, places a premium on good care and soundness throughout the horse's life.

While supporting the concept of animal welfare in its broadest form, the United States Dressage Federation, Inc., also recognizes that it is unrealistic to ascribe human emotions and responses to the horse which in its wild state is a creature of flight, living a hard and precarious existence. Under domestication, the horse is assured of ample food, water, and shelter, as well as protection against infectious diseases and damaging parasites, thus leading a longer and healthier life with a high rate of survival.

As an educational organization, USDF has numerous programs, which teach people how to pursue the accepted, humane training methods. A program of certifying instructors also emphasizes protecting the horse's welfare in pursuit of dressage training.
